RE: MUR 5870

Dear Mr. Holley:

On July 13, 2007, the Federal Election Commission reviewed the allegations in your complaint dated October 30, 2006 and amended November 6, 2006, and found that on the basis of the information provided in your complaint, the responses to the complaint, and publicly available information, there is no reason to believe that Alan Mollohan, Alan Mollohan for Congress Committee and Richard Pizatella, in his official capacity as treasurer, and West Virginia Values, LLC violated 2 U.S.C. § 441a, a provision of the Federal Election Campaign Act of 1971, as amended. Accordingly, on July 13, 2007, the Commission closed the file in this matter.

Documents related to the case will be placed on the public record within 30 days. *See* Statement of Policy Regarding Disclosure of Closed Enforcement and Related Files, 68 Fed. Reg. 70,426 (Dec. 18, 2003). The Factual and Legal Analysis, which more fully explains the Commission's findings, is enclosed.

The Federal Election Campaign Act of 1971, as amended, allows a complainant to seek judicial review of the Commission's dismissal of this action. *See* 2 U.S.C. § 437g(a)(8).

Sincerely,

A handwritten signature in black ink, appearing to read "Mark D. Shonkwiler", with a long horizontal flourish extending to the right.
